THE OPPORTUNITY

Bring an automotive showroom requirement to Bruma Autopark on Albertina Sisulu Road. The source describes showroom, office, workshop and wash-bay areas within the offering, with an 80 A three-phase supply recorded in the narrative. This gives vehicle retailers and service operators several working components to assess together. The corner position near Queen Street provides a visible address within Bruma's automotive setting. View the premises with Rick to establish the precise letting boundary, customer access, workshop provision and lease schedule. Speak to Rick Visser at 5th Avenue Properties...
