Warehouse to Let in Airport Park | Rand Airport Unit A5

Rand Airport Commercial Park · Airport Park

1 765 m² **Rental to confirm**

THE OPPORTUNITY

Give your operation a warehouse and office base at unit A5 in Rand Airport Commercial Park. The 1,765 m² facility has an on-grade roller door and a dock-height loading door, with a recorded 125 A three-phase supply and sprinkler protection. An office component extends over two levels, bringing administrative and operational teams into the same premises. The yard is shared, so loading patterns and vehicle circulation should be assessed with the unit. The Dakota Crescent address places the property in the Airport Park industrial setting, with access to Germiston's surrounding highway network....
