Midway Park · Halfway House

THE OPPORTUNITY

Two substantial warehouse sections and an office/showroom component give this 8,124 m² Midway Park facility a range of operational spaces to consider. Multiple loading doors, dock positions, a ramped access point and a larger-vehicle yard support goods handling. Separate office and showroom areas bring administrative and client-facing functions into the same property. The Halfway House location places the facility within Midrand's wider industrial market. Consider its N1 exposure and actual access routes alongside any signage rights and the operation's practical requirements. Tell 5th Avenue...
